

Santova Logistics Graduate Programme

The Santova Group is a specialist international trade solutions business listed on the Main Board of the South African Securities Exchange with offices throughout Africa, Asia, Australasia, Europe and the United Kingdom, as well as strategic partners throughout the world.

A detailed profile of the Santova Group can be viewed on www.santova.com.

REQUIREMENT

A University degree is a pre-requisite.

We are looking for graduates with minimal to no work experience to enlist with this traditional one year graduate program.

The Santova Logistics Graduate Programme will facilitate practical hands-on experience as well as an in-depth exposure within the clearing, forwarding and logistics industry.

Successful candidates will be strategically placed in an operations department and provided with training and mentoring to fact track their progress. Candidates are not necessarily required to rotate positions, offering them the opportunity of forging relationships and establishing their 'niche' within the organization during the one year contract.
