Reference in the Hague-Visby Rules to carriage by sea shall be deemed to include reference to carriage by inland waterways and the Hague-Visby Rules shall be construed accordingly.
46. Notwithstanding the provisions of Clause 44, if the loss of or damage to the Goods occurred at sea or on inland waterways, and the Owner, Charterer or operator of the vessel establishes a limitation fund, the liability of the Company shall be limited to the proportion of the said limitation fund allocated to the Goods.

Air Carriage

47. If the Company acts as a principal in respect of a carriage of Goods by air, the following notice is hereby given:

If the carriage involves an ultimate destination or stop in a country other than the country of departure, the Warsaw Convention may be applicable and the Convention governs and in most cases limits the liability of carriers in respect of loss of or damage to cargo. Agreed stopping places are those places (other than the places of departure and destination) shown under requested routing and/or those places shown in carriers timetable as scheduled stopping places for the route. The address of the first carrier is the airport of departure

Both To Blame Collision Clause

48. The current Both-to-Blame Collision Clause as adopted by BIMCO is incorporated in and deemed to form part of these Conditions. If the vessel comes into collision with another vessel as a result of the negligence of the other vessel and any act of negligence or default of the Master, Marines, Pilot or the servant of the carrier in the navigation or in the management of the vessel, the merchant will indemnify the carrier against all loss or liability to the other or non-carrying vessel or her Owner insofar as such loss or liability represents loss of or damage to or any claim whatsoever of the owner of the said goods paid or payable by the carrying vessel or her Owner as part of his claim against the carrying vessel or carrier. The foregoing provisions shall also apply where the Owner operator or those in charge of any vessels or objects other than or in addition to the colliding vessels or objects are at fault in respect of a collision or contract.
